

Alliant's Structured Settlements Practice

Structured Settlements

A structured settlement helps compensate and address the ongoing financial needs of those involved in physical, personal injury cases.

- **Tax-Free:** Internal Revenue Code Section 104(a) allows for the periodic payments to be tax-free to the injured party
- **Guaranteed:** Eight highly-rated life insurance companies participate in the structured settlement marketplace
- **Assignment:** Internal Revenue Code Section 130 allows for the "qualified assignment" which extinguishes any future contingent liability for the insured/insurer

Identifiable Cases for Liability & Workers' Comp

- Catastrophic injuries
- Wrongful death
- Cases involving minor children
- Future wage loss
- Future medical needs/Medicare Set-Asides
- Excessive Force and Wrongful Conviction (Section 1983 cases)

Capabilities

Creativity and flexibility can produce successful structured settlement results in a broad variety of cases:

- Strategic file evaluation of loss
- Work directly with insured/insurer, TPA, and defense counsel
- Pre-settlement damages analysis
 - Life care plans
 - Wage loss
 - Vocational rehab

- Attendant care
- Special Needs Trusts
- Collateral source/ACA review

- Attend mediations, settlement conferences, and pre-trials nationwide
- Post-settlement resolution
 - Draft and review settlement documents
 - Facilitate funding of the structured settlement
 - Review applicable court orders
 - Completion of settlement and structured settlement policy issuance

About Alliant Insurance Services

Alliant Insurance Services is one of the nation's leading and fastest growing distributors of diversified insurance products and services. In the face of increasing complexity, our approach is simple: bring on the best people and invest more deeply in the industries and clients we serve. We operate through a network of specialized national platforms and regional offices to offer a comprehensive portfolio of services to our clients. Our goal is to ensure that they get the most innovative products—and the most innovative thinking—in the industry.
