Post-Pandemic Lessons for Public Risk Management

Insurance Business America

With COVID-19 vaccinations programs in full swing around the world, organizations are looking forward to doing business in a post-pandemic world. Nearly a year-and-a-half after the coronavirus crisis broke across the globe, risk managers are synthesizing the various lessons in order to better address pandemics, which experts have warned are bound to occur again.

Is the SPAC Frenzy Coming to an End?

Alliant Specialty

The market says SPACS (Special-purpose acquisition companies) seem to be entering a slow-down. Given all the activity we saw at

for nearly a half century. A traditional structured settlement is usually comprised of a cash lump sum along with tax-free, guaranteed “periodic payments.”
